## INFORMATION PRIVACY STATEMENT

The Department for Education and Child Development (DECD) is committed to respecting the confidentiality of information provided by children/students and parents, for example, information requested on child/student enrolment forms.

The information in this form is requested to enable DECD to:

- undertake administration and care responsibilities including maintaining emergency contact information
- communicate with you about important matters
- provide first aid and plan for child/student health support requirements
- provide all information required for resource entitlements
- collect necessary statistical information and undertake analysis of the composition and performance of the child/student population
- meet reporting requirements, including to other government authorities and funding agencies.

If organisations are contracted on behalf of DECD to undertake tasks that require access to enrolment data, the contract(s) between DECD and those organisations will include strict confidentiality and disposal provisions.

**The Education and Care Services National Regulations require enrolment records to include the information marked with an asterisk (\*) for each child.** Although some items on the enrolment form are not mandatory to complete under the national regulations, provision of this information will be beneficial to your child's school/preschool for planning and resourcing decisions.

The information provided in enrolment forms is stored securely in local school/preschool and DECD databases. Information from your enrolment form may be transferred electronically from one site to another as your child moves locations between levels of education. Any such transferred information will be updated by information provided on the current enrolment form. While your child is enrolled in a DECD site, other information will be gathered relating to your child's education and wellbeing, for example, records of learning progress, absences from preschool, behaviour, health and social development reports, observations and assessments. The management of this information is governed by Australian, State and DECD policies to ensure the information is used only for the purposes stated above and is secure, private and confidential. Only unidentifiable data is reported to the Commonwealth and DECD may also provide de-identified student information for research, where appropriate, based on DECD operating principles and ethics guidelines. The disclosure of personal information held by Government is regulated by the Information Privacy Principles (see [http://dpc.sa.gov.au/sites/default/files/pubimages/Circulars/PC012\\_Privacy\\_0.pdf](http://dpc.sa.gov.au/sites/default/files/pubimages/Circulars/PC012_Privacy_0.pdf)). Unless required to do so by a law of the State or Commonwealth, as permitted by the Information Privacy Principles or in accordance with the Information Sharing Guidelines (see below), DECD will not otherwise disclose the information to others without your consent.

## INFORMATION SHARING STATEMENT

There will be occasions where sharing information with others outside DECD will be important to your child's educational progress, safety or wellbeing. In these circumstances, DECD follows the SA Government's *Information Sharing: Guidelines for promoting the safety and wellbeing of children, young people and families (ISG)* [www.gcyp.sa.gov.au](http://www.gcyp.sa.gov.au). Under the ISG your consent for the sharing of personal information about your child will be sought and respected in all situations unless:

- it is unsafe / impossible to gain consent or consent has been refused *and*
- without information being shared, a child or children will be at increased risk of serious harm.

The aim of information sharing under the ISG is to protect and promote the safety and wellbeing of children, young people and their families. This site works with parents/guardians and other agencies/services to achieve that aim. Parents/guardians are strongly encouraged to share all information relevant to their child's capacity to enjoy and benefit from education:

- by using the 'any other information' section of this form, and/or
- in discussion with staff at the time of enrolment, and/or
- in discussion with staff at any time in the future.
